The CREST staff of the Centennial year presents the academic and social events of the school year 1955 & 1956. In recreating for you the memories of this year we have included ideas representing the life of our school in its past one hundred year history. We do not want to forget the past, for it has given us the present, and in the present we are molding the glories of the future.

Dedication

The Centennial Year has been the theme of this book. The faculty of Peoria High has attracted numerous fine teachers to many years of service during its one hundred years. This book is dedicated to the teacher on our faculty with the greatest number of years service to Peoria High School.

She joined our faculty in 1921 and has given Peoria High School thirty-five years of outstanding service. We, the CREST staff of 1956, therefore dedicate this book to

MISS LUCILLE WALTMIRE

Lucille Waltmire

Peoria High

On May 5, 1856, Peoria High School first began classes on the second floor of what was later known as Irving School at the corner of Jefferson and Jackson streets. From 1861-1862 the high school was held in the basement of the Methodist Church at the corner of Madison and Fulton streets. In the fall of 1862 a new building on Fisher street was ready for

occupancy. This stood on the site of the present Lincoln School, then known as Park School. It was considered quite commodious in its time. It proved adequate until 1884 when the building on the corner of Monroe and Fayette streets was erected. This in turn gave way to the present building on North Street in 1916.

Faculty

The classroom teachers represent the hub of our school organization. Our faculty has always given unselfishly to the students their time and their knowledge. Peoria High School has known many fine classroom teachers in its one hundred years of progress, who have established an outstanding and widely known academic standard.

1956

Principals

Charles E. Hovey
1856-1857

As a youth Mr. Hovey was a villager in Vermont. He must have been precocious or he would not have begun teaching at the age of fifteen. He was graduated from Dartmouth College in 1852 and resumed teaching in New England. Then he heard and heeded a call to come to Peoria, Illinois, and take charge of a private school for boys. When the first public high school was organized in 1856 Mr. Hovey was asked to organize it and become its first principal. Mr. Hovey had a great interest in teacher training and became a leader in establishing a State Normal School. In a Bill creating a State Normal School Board Mr. Hovey became a member. The Normal School began in 1857 and Mr. Hovey was made its first president.

After four years of organization Mr. Hovey was called to the colors and became a Colonel in the Northern Army. He reached the rank of brigadier general.

In its one hundred years of service to the people of Peoria, Peoria High School has had many fine principals. In 1856 when a public high school was organized by the authority of an act of the State Legislature, Mr. C. E. Hovey was called upon to organize and act as its first principal. We want to pay tribute to the high ideals of all the principals of Peoria High School who have played such an important part in developing and enlarging the fine curriculum and high standards of our school.

Early Faculty Members

In the one hundred years of our existence, the excellence of our achievement in the fields of scholarship and academic progress has rested on the quality of the Peoria High faculty. That quality, which we know existed is difficult to feel by the mere listing of faculty names. However, through some valuable old photographs of a few of the outstanding teachers of our early years, we are immediately able to sense that quality of scholastic greatness that has marked our history.

Mr. Frost
Taught Latin, Greek and English
from 1868 to 1875, became Principal
in 1875

Mr. Waite
Taught English and Rhetoric from
1883 to 1903, earned a Ph.D. degree
and became a professor at the University
of Michigan

Miss Stewart
Taught Latin, Greek, and English
from 1897 to 1944

Miss Quinn
Taught English from 1892 to 1909

Miss Benbrook
Taught Algebra and Latin from 1877
to 1907

Classes

The personality of a school is in its students. Freshmen, Sophomores, Juniors, and Seniors; in classrooms, activities, and sports, they all work together and have good times together with loyalty and interest for our school. They take from it a wealth of learning and leave behind great character and tradition as students of Peoria High School have done for one hundred years

The Senior Class officers, on behalf of the Centennial Class, pay tribute to the valedictorian of the first graduating class of Peoria High School:

Muriel Woodhall

She and fourteen others entered Peoria High School May 6, 1856, having passed the necessary entrance examinations. During that year others were admitted, bringing the total to forty-five students. In 1858, Miss Howell and three others were graduated in the first graduating class. At the graduation exercises she read the valedictory speech.

Wondering What Time Will Tell

Our first thrill was the announcement that, with "Pete Pan", we had been named winner of the Stunt Show for the second consecutive year. In January the renowned English and Mathematics test were given and we really had to "dig deep". With those behind us, we turned with pleasure to the sponsorship of our Junior Prom, "Seventh Heaven". It was an occasion long to be remembered. The arrival of our class rings thrilled us—we wear them with pride.

Let us hope that the next year's P.H.S. will be as pleasant and successful as the first three!

Contemplating Their Next Move

Miss Sutton

The newness of high school life has worn off, for we are the upper of the under classmen. We are the sophomores.

The year has been a busy one. In the fall all efforts were channeled into the Homecoming activities and the production of our stunt, "The Wizard of Oz". In February we worked hard in the magazine sales campaign.

Our field of learning has broadened as we have become acquainted with the mysteries of biology and the angles of geometry. As our predecessors we, too, have suffered to achieve the Doctor of Frogology. A few of us have been successful.

Next year we will be upper classmen, and all our energies will be expended to reach the goals set for the class of 1958.

Tuning Up For Future Years

The first weeks of our first semester started off so well we greeted ourselves with a bang, both at home and life. It took us only a short time to learn that we could get to class much faster if we did not take the elevator.

Our first organized effort went into producing our stunt show, "Pinky Lee." Thanks to everyone who helped, the show was a great success. In February, class co-operation really paid off, for the Freshman class won the magazine sales campaign. We were very proud.

Our class activities have been exciting and we are looking forward to the future, as we will be so many more.

School Life

The adventures and experiences in life that our school provides for us are found in the pages of the SCHOOL LIFE section. Whether an everyday classroom procedure, a special activity of the school, or the fun of a school dance, this is where our students actually live the best days of their lives. In this mixture of personalities, education in living is as important as school studies.

The alums returning for Central's 1955 Homecoming celebration were treated to a memorable weekend. The evenings of October 12th, 13th, and 14th climaxed weeks of working and planning as each class presented its own version of the Lion's promising victory. After the stunt shows on Friday night, Key Club sponsored a Bonfire Pep Rally on Herke Field. Following cheers and songs, it was announced that the Junior Class, with its portrayal of "Peter Pan", was the winner of the stunt show. A great honor for a great show!

Saturday night found both students and alums heading for the stadium to see Central play the annual Homecom-

for a victory charge.

ing game against this year's opponent, the Streator Bulldogs. During the half-time ceremonies, Skip Snyder crowned Muriel Woodhall, the reigning Queen of this '55 Homecoming. With the sound of the gun ending the final minutes of play in the game, the scoreboard read 28-0 and spelled victory for the Lions.

After the game, the triumph was celebrated at a dance held at the American Legion Hall. Dancing to the music of Bill Hardesty, everyone began thinking over this tremendous weekend, and all agreed that this was a long-to-be-remembered Homecoming.

The original music worksheet.

. . . Mrs. Martha Hazzard Mayer, who wrote the lyrics in 1924 during her senior year.

Here's to Mrs. Cecelia Johnson Miller and Mrs. Martha Hazzard Mayer for their inspiring music and words which have comprised our PHS Loyalty song for thirty-two years. Because they loved Peoria High, expressing their feelings in a song didn't seem difficult.

Mrs. Miller entered her music in the contest for a loyalty song in 1924. When her music was selected from among the entries, it was discovered that none of the words submitted could be used. Mr. Epstein, the faculty chairman of the judging committee, suggested that Mrs. Mayer, a student member of the committee, write some words for the music. The result was our loyalty song.

The reward for this original work was a pass to all athletic games and to the plays for the following year. Peoria High used the song for the first time the day at the 1924 Commencement Exercises.

Each time we sing our song, may it mean:

"In honor and in love we pledge
Our highest loyalty."

Activities

After our school was settled academically, and our curriculum of instruction in the classrooms enlarged, a new scope of study began. ACTIVITIES were organized to enlarge our course of studies outside of the classroom, in a more informal way. Today, our many ACTIVITIES are an important part of the school curriculum. Clubs and organizations have been formed to meet the interests and needs of all the student body

Marilyn Fisher

President of Student Council

Marilyn Fisher, President of our Student Council, is an outstanding student at Peoria High School. As well as capably filling her office on Student Council, Marilyn is very active in other activities, too. Committee of Forty, Stunt Shows, Musical Extravaganza, A Cappella, and Music Workshop are just a few of her interests.

For four years Marilyn has served Peoria High School on the Student Council. Her hard work and excellent leadership have helped to make this year a success.

Student Council

Peoria High School's Student Council which is the governing body of the students and for the students, strives to create friendship, understanding, and school loyalty.

With Miss Conway as its advisor, Council sponsors various activities which include the Student Directory, the supply booth, Homecoming, the Christmas dance, Field Day, all elections, a flower fund, and a sportsmanship program. They also sponsor charitable activities such as a clothes drive and party for the less fortunate children, and filling and delivering Christmas baskets.

Officers of Council are elected every spring by the entire school. There are eighteen elected members. Ex-officio members include the four class presidents and representatives from all major activities.

The oldest established organization at P. H. S., in this, its Centennial year, is the *Opinion*. The *Opinion* had its first issue in 1887. It was first a magazine type publication which came out monthly, the last issue serving as a combination newspaper and yearbook. After the inaugura-

Girls' Choir is a musical group led by Mrs. Linder. Each voice is selected for its exceptional quality. The group sings for school functions and various outside activities. The group meets one hour each day of the week.

The officers are: Martha Gilkerson, President; Judy Grimm, Vice-president; Joy Worman, Secretary; and Jane Inman, Treasurer.

One of the greatest honors for a student interested in music is to be selected for A Cappella Choir, the most advanced organization at Peoria High.

Third hour, under the capable instruction of Mrs. Linder, the members learn and practice songs which will be presented in three concerts. The concerts are given at school each year.

What Would We Do Without The Ticket Committee?

The members of Peoria High School's Ticket Committee spend many hours throughout each year to serve you, the student body. Before games, plays, and other special events you'll always see a member of the Ticket Committee

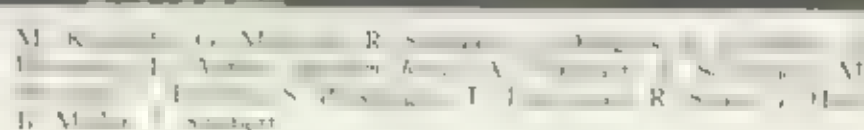

and Mr. Van Deventer, their sponsor, selling tickets in the ticket booth during the lunch hours. Anyone who is willing to work for our school can belong to the ticket committee

Mr. Van Deventer and his committee work out details, details, and more details

duces one play each year. The group selects one or more topics for presentation as programs for the group evaluation.

In the fall of 1924, the former students' club, one of the oldest organizations in the school, was reorganized into a dramatic club, because various other organizations had been formed having as their purposes those aims formerly realized by the aforementioned Students' Club. The name was changed to Jusendra, chosen from the

three words, Junior, Senior, and Dramatic, and was proposed by Truman Carrithers, a pupil in the junior class. The membership consisted of three hundred juniors and seniors under the direction of their faculty advisor, Janet E. Buswell.

Dramatic Honor Society

Dramatic Honor Society consists of those who are chosen for their dramatic ability demonstrated in Peoria High School's major dramatic productions. The committee choosing the members is made up of individuals in no way connected with Peoria High. This year it was sponsored by Miss Lamberton. Congratulations to these Thespians!

Greek Class

"Xaipe" This may be Greek to you, but it means "hello" to the students of the P.H.S. Greek class. Taught by Miss Sutton, the Greek class is an innovation at Peoria High this year. The class consists of students eager to add to their knowledge of languages. Classes are held for an hour after school on each Wednesday and Thursday. Greek Class is open to all who are interested and willing to work.

Chess Club

The Chess Club of Peoria High School was begun late in the school year of 1954-1955 under the sponsorship of Mr. Stepping. The club was established for those who hold an interest in the ancient game of chess. The club meetings, held once a week, consist of one round of play in the Swiss Ladder tournament for all those present. The members are proud to say that they are the only chess club on the high school level in the city of Peoria.

Science & Math Club

A new club to most of us at Peoria High is Math Club. Actually, it is one of the oldest clubs at P.H.S. It was organized by a student, Arthur Epstein, at the old school building. Mr. Van Buskirk, a former principal, was the faculty advisor. It didn't meet again until the spring of 1923. The reorganizer was Mr. Epstein, then a teacher. Its name was the Science and Math Club, but it focused mainly on sci-

ence. Its purposes were to stimulate interest and discuss scientific objects.

After several years when it did not meet, the club has been reorganized this year with its attention on math. It meets the first and third Monday of every month. For entertainment, the members play card games which will increase their mathematical ability, listen to speakers or take field trips. The advisor is Mrs. Williams

Debate Team

Peoria High School did not have debate for seventy-five years until last year, when it was reorganized under the direction of Miss Londergan.

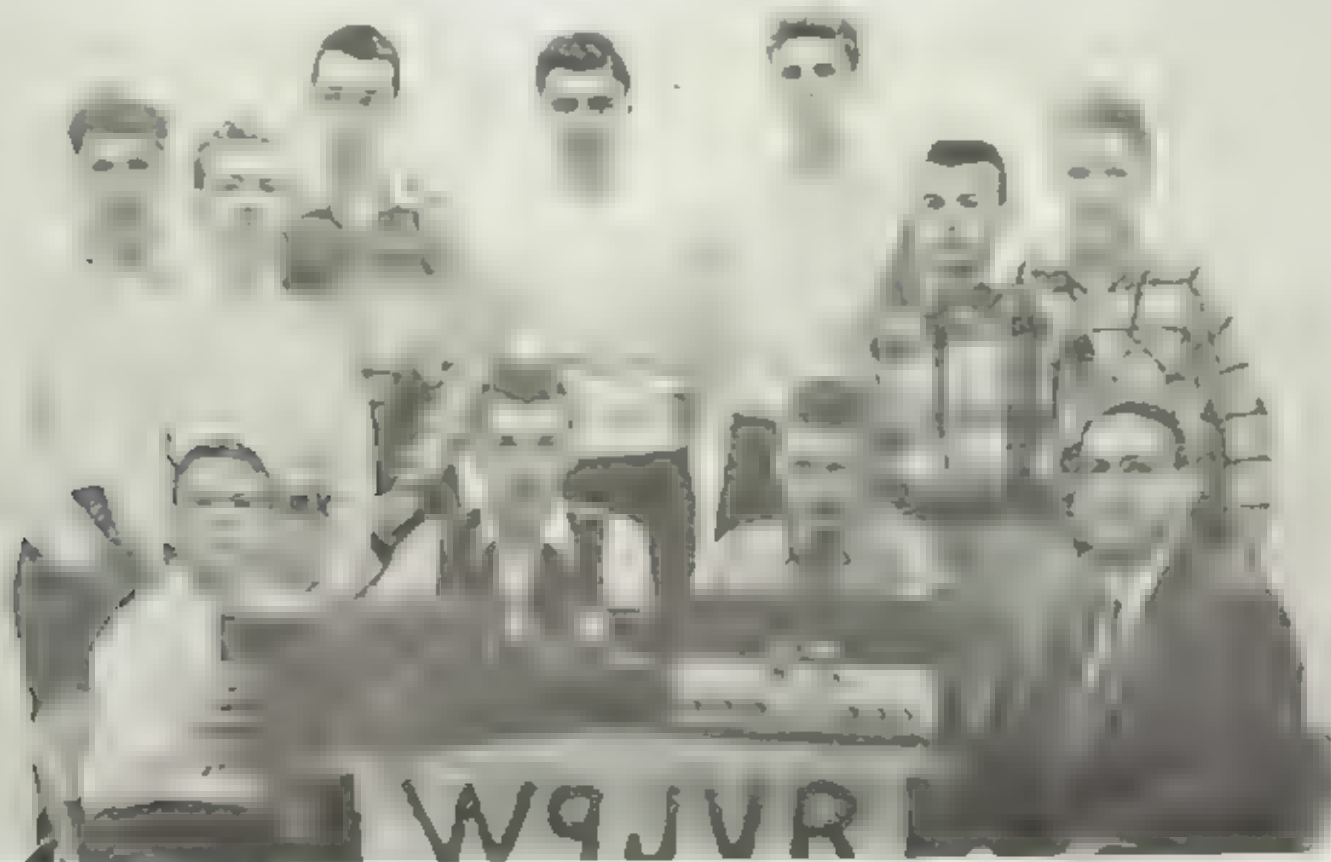

Currently, debate has been meeting six hours plus extra meetings before tournaments. In February, the P.H.S. Debate Team had the honor of being host to the district meet. It also attended the Augustana Tournament, where thirty-nine schools were represented.

For its participants, debate develops open-mindedness, logical reasoning and poise; it also teaches the value of competition, respect for the ideas of others, and a successful method of research.

Amateur Radio Club

One of the most interesting clubs of Peoria High School is its amateur Radio Club, sponsored by Mr. Lurie and Mr. Randall. The club's main activity is operating the school's radio station, W9JVR, and most of the club's members are licensed amateur operators. Several contacts with other "hams" have been made. The club meets every Thursday and both boys and girls are welcome to belong. The only requirement is to have a bona fide interest in amateur radio.

German Clubs Are As Old As Peoria High

The German Club possesses an antiquity as old as the founding of Peoria High School. Among the teachers of German who taught the subject here from 1857 to 1900 were Professor Auguste Niehans and Professor C. H. Kammann. Although monthly meetings were not held by this group, it did meet for special events.

Today, German Club is a lively and active language club. At their monthly meetings, the members sing German songs and add to their

knowledge the customs and way of life of the German people that they do not learn in the classroom.

German Club has two annual events. One is the Christmas party where "Des Weihnachtsmann" (the German Santa Claus) gives everyone a present. Another important event is the May picnic, to which all the members look forward.

The sponsor of this group is Miss Charlotte Zeigler.

Social Science Club Focuses on Current Events

Social Science Club was organized in 1923 by Mr. Y. A. Heghin, in honor of whom the name was later changed to the Heghin Social Science Club. During the first year it had thirty charter members and they assembled semi-monthly. David B. Owen, former president of Bradley University, was the first president. In the early years of its history, all students in the social science department were eligible for membership.

This year the club has done much to stimulate interest of its members in the welfare of their community and school. There have been numerous speeches and films at the monthly meetings by people who are active in civic affairs. Under the sponsorship of Miss Wood, Social Science Club has promoted well-rounded and versatile programs throughout the year.

One of the largest clubs at Peoria High School is the Spanish Club

The club's goals are to create more interest in the Spanish language and to acquaint the students with the customs and culture of the Spanish speaking people

Some of the programs have included Spanish-

speaking guests, movies, songs, skits and fiestas. The club is an affiliate of the Illinois Federation of Pan-American Leagues, which is a state-wide organization of high school Spanish clubs.

Miss Campen and Mr. Coulos are the advisors who help plan and arrange the activities and monthly meetings.

The Elite Club, as its name implies, was organized for purely social purposes and its membership was strictly confined to students of Peoria High School, 1900-1901. The name "Elite" was selected for the Club, Rose and Gray were chosen for the colors, and the Pink

Tea Rose as the flower. Afterward, with the aid of Mr. Charles Beeson, then head of the classical department of the school, the Club selected for its motto, "K a l a i k' a g a t h a i."

Fleur De Lys—Original Name of French Club

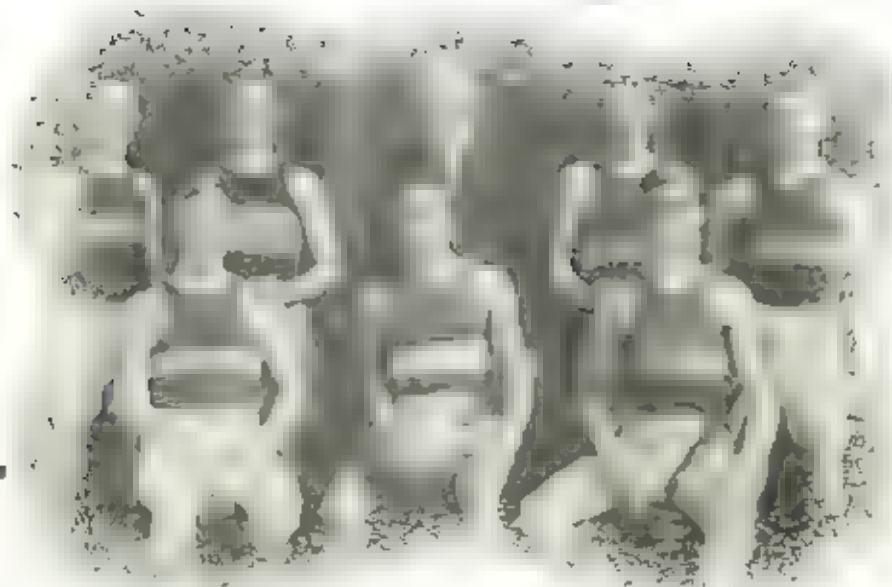

French Club is one of the older clubs at Peoria High School. Fleur De Lys, later named French Club, was organized in 1926. One of its first sponsors was Miss Bunch. Since it was open to second and third year students with an A or B average, the membership was not large. Many of the first meetings consisted of French plays; at all of the meetings, French was the sole language spoken.

Now Le Cercle Francais meets once a month to learn more about the people and customs of France. Their interesting meetings include singing French songs, touring France via slides, and the traditional Twelfth Night Party. All those who take or have taken French are eligible to belong. Sports

Academics with Athletics in the early years of P.H.S. was not accepted. In the 1880's sports began to enter school life. Teams as representatives of the school became a reality in the early 1890's. Teams of championship caliber appeared in 1892 in football, in 1893 in track, and in 1908 in basketball. Since then, sports has become a major part of school life.

VARSITY FOOTBALL

[Faded text from a newspaper clipping, likely a race program or local news report.]

Centennial Gridders Have Terrific Season

A swamping 32-0 victory over Manual in the annual Turkey Day Game climaxed one of the best seasons in our hundred-year history.

Their hard-charging line and alert defensive backs held seven adversaries scoreless while their well-polished offensive squad piled up a total of 243 points. This combined effort accounted for Central's well-deserved 10-1 record.

The P.H.S. players elected to the All City Team are Dick Matarelli, Joe Suffield, Jim Swardenski, Ralph Mason, and Bill Waibel.

The following honors were bestowed upon these boys by their teammates:

Best Lineman Jim Swardenski

Most Valuable Back: Dick Matarelli

Hardest Hitting Blocker Bill Waibel

Most Improved Player—Grant Wood

Best Attitude—Ralph Mason

Succeeding Ralph Mason and Joe Suffield as co-captains for the 1956 season are Bill Dewey and Bruce Radley.

A superb demonstration of the modern dance.

Matarelli drives on, as Wilson and Toms give blocking —

In the annual Turkey Day game, 8200 fans saw Manual grab the opening kickoff and go 61 yards on two plays. But there they were stopped, to gain only 26 more yards against the stalwart Lion defense in the remaining game.

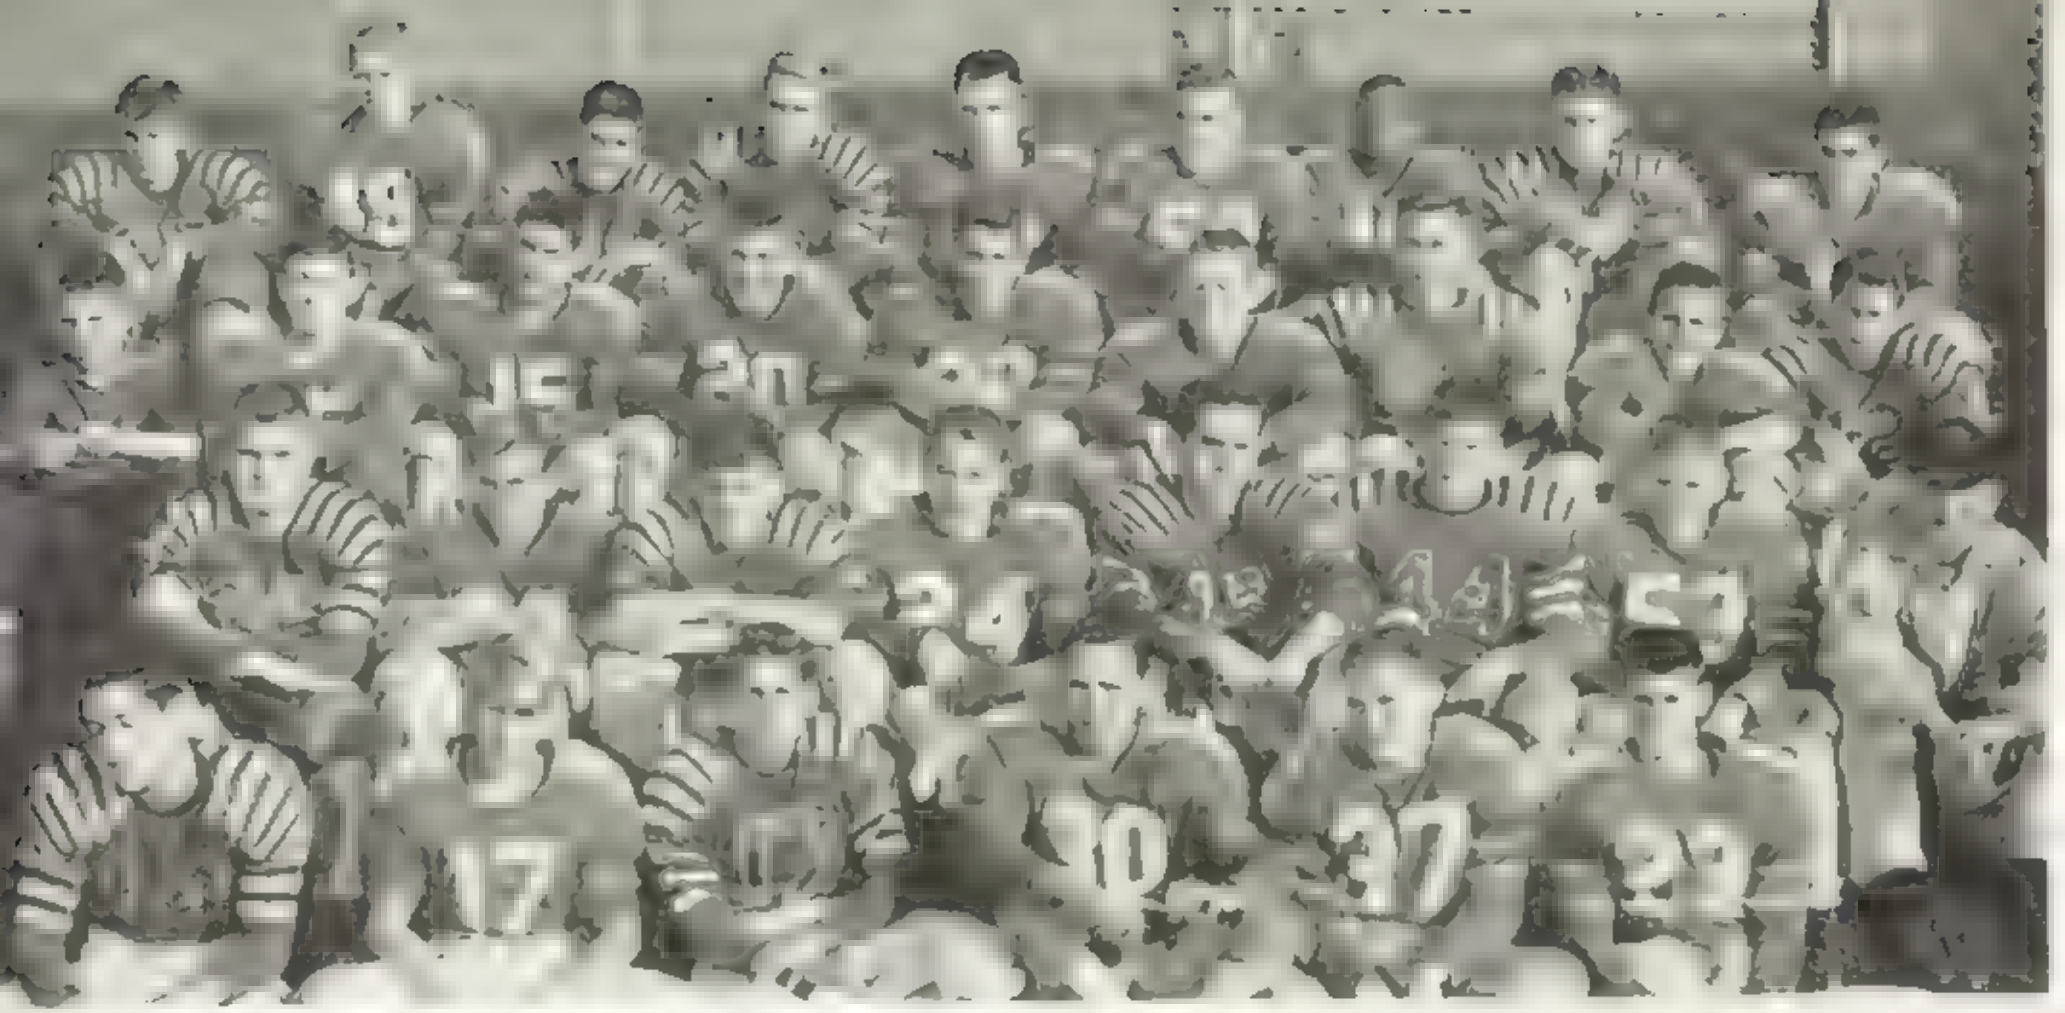

With twelve minutes to go in the second quarter, Joe Suffield sent Dick Matarelli reeling, driving, and spinning fifteen yards for the TD. He scored twice more in that quarter, but the first one broke the backs and hearts of the Manual squad.

With Wilson and Suffield adding insurance scores in the second half, the victory was theirs, and highly rated Manual fell, 32-0. That Centennial Lion team proved themselves one of the finest squads in our hundred-year history.

Courage and Determination Win Out in Turkey Day Game

Joe Suffield executes the option play to perfection.

Centennial Cagers Reach Quarter-Finals of State Tourney

Toms goes high above the net for two points.

Dropping only five games out of thirty, the Central hardwood quintet battled their way to the quarter-finals of the State Tournament before bowing to Oak Park.

The two big men for the Lions were Jim Polk and Gene Toms. Polk racked up a tremendous .513 shooting percentage on field goals and led the scoring with 543 points, averaging 18.1 points per game. Toms followed closely with 536 points, averaging 17.9 tallies per game. Our sharp-shooting guard, Ronnie Hermann, hit a .503 percentage. Steve VanWinkle led in free throw percentages with a colossal .725.

The boys who received letters on the Centennial Lion quintet were Marvin Cochran, Ron Hermann, Ralph Lawler, Ralph Mason, Jim Polk, Ando Teder, Gene Toms, Steve VanWinkle, Tom West, and Gary Yates.

Congratulations to Coach Dawson Hawkins and his well-poised, highly successful team.

VARSITY BASEBALL

Romping to twenty-six victories with only three setbacks, our P.H.S. diamondmen, for the second consecutive season, captured Regional and Sectional trophies and proceeded to the State Tournament. Although they lost to runners up East St. Louis in the first round, the school will long remember the fine record which departing Coach Saur and his boys made.

Mainly responsible for that terrific season were these top hitters: Jerry Lewis, batting .455; Paul Weishoff, .400; Leon Hurst, .391; Gene Carr, .369; and Bill Malone, .366. Pitchers contributing to this season's success were Leon Hurst, losing only one out of twelve; John Brewster, possessing a record of 7-1, and Joe Suffield, who won five out of six.

Harry Whitaker has taken over coaching responsibilities for the 1956 season.

Overland Squad Runs Wild

Blasting thirteen opponents from the realm of victory, the Lion Cross Country team rampaged through the season without losing a single dual meet. They swept the City, Greater Peoria, and the District titles, placing a fine second in the Big Twelve meet. Putting forth their best, they fell short of their ultimate goal, finishing fifth in a field of 177 runners in the State Tourney.

Earning top honors for P.H.S. were trotters Pat Dalton, Bernie Wall, Al Huff, John Wilson, and Sidney Wasson. Captains of the team were Al Huff and Pat Dalton

Soaring through the air with the greatest of ease is Kirk Riley.

Central's tankmen under Coach Yuhause finished their season in fine fashion, taking six out eleven dual meets. They placed a fine fourth in the Big Twelve meet, and, sparked by Tom Ising, who stroked to a magnificent fourth in the 150 yard medley, finished 16th in the State.

Losing only three seniors, Larry Markman and Alex McGinnis, co-captains, and Tom Hansen, our forthcoming year forecasts tremendous possibilities.

Linksmen Are Champions of Big Twelve

Another brilliant season was executed by the Central linksmen, as they carried off first place trophies at the Big Twelve and Quincy Tournaments, and placed second in the IHAA matches. Coach Bockwitz's boys were victorious on sixteen occasions, losing only once, to Pekin, 8-7, whom

they had swamped in an earlier encounter, 13-2.

Individually, Larry Markman placed second last year in the Big Twelve Tournament, and Mike Klein was second in the IHAA Meet. Mike and Larry were chosen to be co-captains of the 1956 squad

Coach Bockwitz gives the boys a few pre-season tips.

A final burst of speed and he's home.

"Determination pays off" certainly proved true last year as our cinder squad under Coach Myers came out on top in all of their dual meets and placed highly in all of their major meets.

Outstanding man last spring was Don Tjarksen, who, besides setting six new records, cut his last year's time of 1:59.5 to 1:58.9 for the 880 yard dash. Now, Tjarksen holds every record in the state for that event except the State record itself. Composing the mile relay team were Tjarksen, Martin, Boucher, and O'Day, who brought laurels to P.H.S. by setting four records.

Central's First Champions

A track team was organized in 1893 at P.H.S. and trained to take part in the first Illinois State Inter-scholastic Track and Field Meet. The meet was sponsored by the University of Illinois and held at Urbana. The P.H.S. squad won that first state meet.

In 1892, the first organized season of football became a reality. A schedule of games, set up before the season began, was accomplished for the first time. The team won all the games on the schedule and was declared champions by the Press.

Basketball was first identified with the Y.M.C.A. 'Y' members from P.H.S. would form teams and consider it the P.H.S. team. Eventually the teams became identified with the school. In 1908, the Illinois High School Athletic Assn., in conjunction with the Evanston Y.M.C.A., sponsored a tournament to find the championship team of the State of Illinois. The P.H.S. team won the tournament and were declared champions.

Under the co-sponsorship of Mrs. Brown and Miss Masocco, G.A.A. provides an enjoyable schedule of events for girls throughout the year.

Every Tuesday and Thursday after school, the girls' gym vibrates with the sound of girls having a swell time letting off extra steam and energy by playing basketball, volleyball, and archery. A bi-monthly business meeting is held for announce-

ments and organization of the next sport. At Christmas and in the spring, bang-up parties are given.

This year three seniors: Janet Hall, Irma Hatfield, and Jean Streitmatter, qualified for the State Senior Awards. These awards require 300 points earned by attending meetings. These Senior Awards are the ultimate goal of every G.A.A.'er.

The first yearbooks at Peoria High were financed by the staff, through the advertisers, and any profits made went to the students on the staff. Now the yearbook finances are managed by the school. Yet, whoever was responsible, the business concerns of Peoria always supported our books. It is due to those first advertisers that we had our first yearbooks, and our thanks go to our advertisers today for their fine support of the CRES!

NOW **it's my turn...**

Now, it's my turn to earn my place in our community . . . in our country. Someone before me had his turn . . . someone built the schools I attended . . . someone subscribed to the hospital building fund . . . someone worked on the fund drives for church and charity . . . on Scout committees . . . on the thousand and one civic affairs that weave strength and character into this country of ours.

Someone . . . in fact, many . . . were good citizens before me.

Now, it's my turn to take up the responsibilities of citizenship. I know I will be a good citizen only if I make up my mind to be . . . that I will reap the rewards of good citizenship only if I invest in them . . . that I and millions like me will determine the kind of community and country we will live in. Jack,
 It has been a real pleasure
 knowing such a wonderful person
 as you for four years. I truly
 wish you the best of luck in what-
 ever phase of life that you may choose.
 Keep your goals high, maintain your
 ideas and you are sure to succeed
 in everything you try to do.

My Mother

A Good name is rather to be
 chosen than riches, and loving
 friends rather than silver
 and gold

Jack,
It has been a real pleasure
knowing such a wonderful person
to you for four years. I truly
wish you the best of luck in what-
ever phase of life that you may choose.
Keep your goals high, maintain your
ideas and you are sure to succeed
in everything you try to do.

My Mother

A Good name is rather to be
chosen than riches, and loving
friends rather than silver
and gold

Best Wishes Jack
Set your affections on things
above and not on things of the
world and your life will be a
successful one.
Pat

Dear Jack
I want to add my
congratulations to the
many others and give
you my very best wishes
for the future. May the
right decisions and help you
to find happiness in life
your choice in later years
expect great things from you.
Sincerely,
Helen

Good luck to a well
kid. Always remember
the things that really
count in life.

Frances

Best wishes for your success,
Bob Goodenough
